

Tooling for SAA Revolvers & Their Clones – Closeout Pricing

06/06/2017

We have offered a "system" of gauges, guide bushings, reamers and a turning arbor that facilitates accurizing of SAA/Clones. Due to low sales, these items will be discontinued. Below is a list of the items on hand – we're closing these out at **reduced prices**.

1. Tapered Precision Frame Bushing \$80 each, **Closeout \$55.00**
11/16" – 20 (.3905") ID.
11/16" – 24 (.3125", .4520") ID
2. Chambering Reamer (Combination Reamer) \$125.00 each, **Closeout \$90.00**
Specify caliber: 45 Colt, 475 Linebaugh,
